Issue 2	1-Feb-1995	Geoff Wills	EDRS Template

Contents

1	Introduction	5
2	Scope	5
3	Index	5
4	References	5

1 *Introduction*

Paragraphs marked with a * are mandatory.

*This document is part of the Poling Handbook series of documents indexed in EPT/OHP/B033 and must be read and used in conjunction with the other documents in that index.

The instructions contained in this series of documents must only be carried out by trained and experienced personnel who are authorised by their line manager to carry out Poling duties.

2 *Scope*

This document has been revised to incorporate the index of the Poling Handbook only. The contents of the previous issue have been separated into the range of ISIS indexed in this document. It also includes a list of important references.

3 *Index*

EPT/OHP/B033 - Poling Handbook - Index & References

EPT/OHP/B034 - Mechanised Poling Operations

EPT/OHP/B035 - Pole Strengthening Methods

EPT/OHP/B036 - Pole Fittings & General Furniture

EPT/OHP/B037 - Manual Poling - Provision

EPT/OHP/B038 - Manual Poling - Recovery

EPT/OHP/B058 - Poles - General Information & Layout Policy

4 *References*
