STREET WORKS SAFETY

1

LEGISLATION

N.R.S.W.A. / (SECTION 74) / HASAWA

• **NRSWA**

One person on site must have N.R.S.W.A. ticket.

• **SECTION 74**

Fines for not clearing site. Jobs can be stopped for insufficient signs.

• **HASAWA**

Responsible for own and others safety.

RISK ASSESSMENT

You **MUST** carry out Risk Assessment

BEFORE starting job

2

RED BOOK

Red Book in Team Safety Pack shows the correct layout for signing, lighting and guarding **USE IT!**

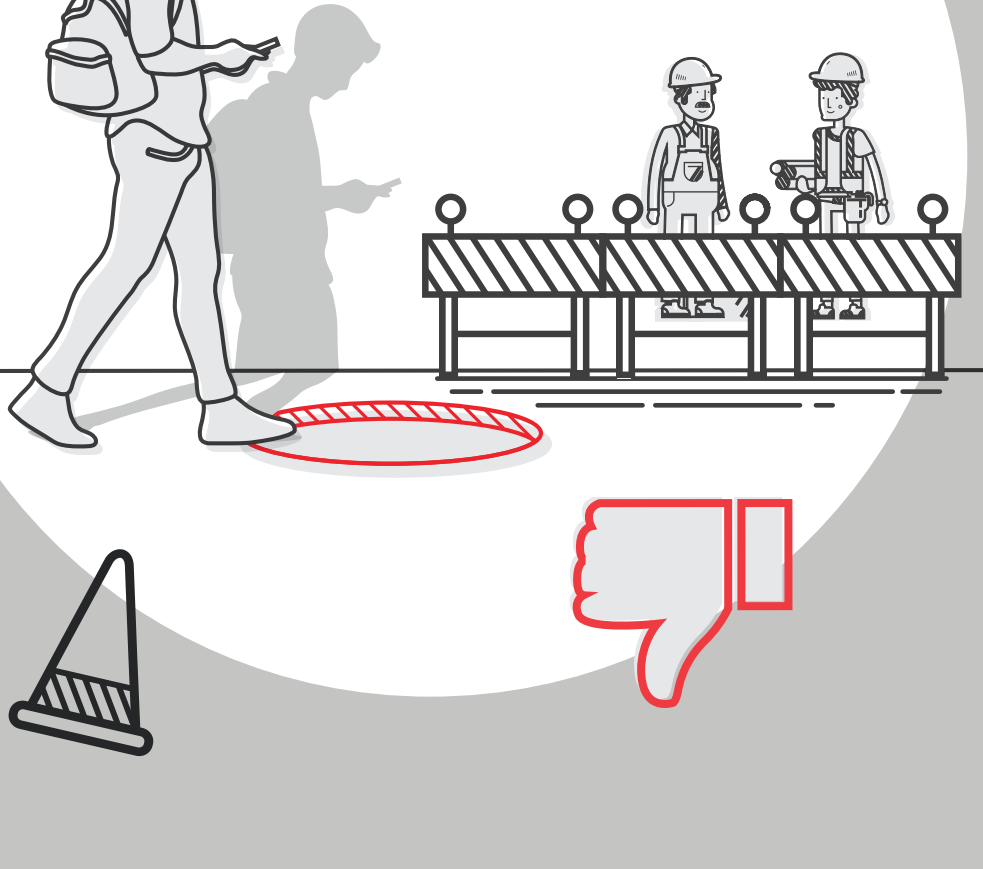

Team pack is now located on Morrisonus.com. Bottom of the page 'MUS Drive'

PEDESTRIAN SAFETY

You have a **"DUTY OF CARE"**.

Protect the public from your works.

4

PEDESTRIAN WALKWAYS

REQUIRED BY LAW.

You must provide a walkway to separate public from traffic if we excavate the footpath.

COURTESY BOARDS

THIS IS A CONTRACTUAL REQUIREMENT.

We must display a courtesy board which provides a contact telephone number.

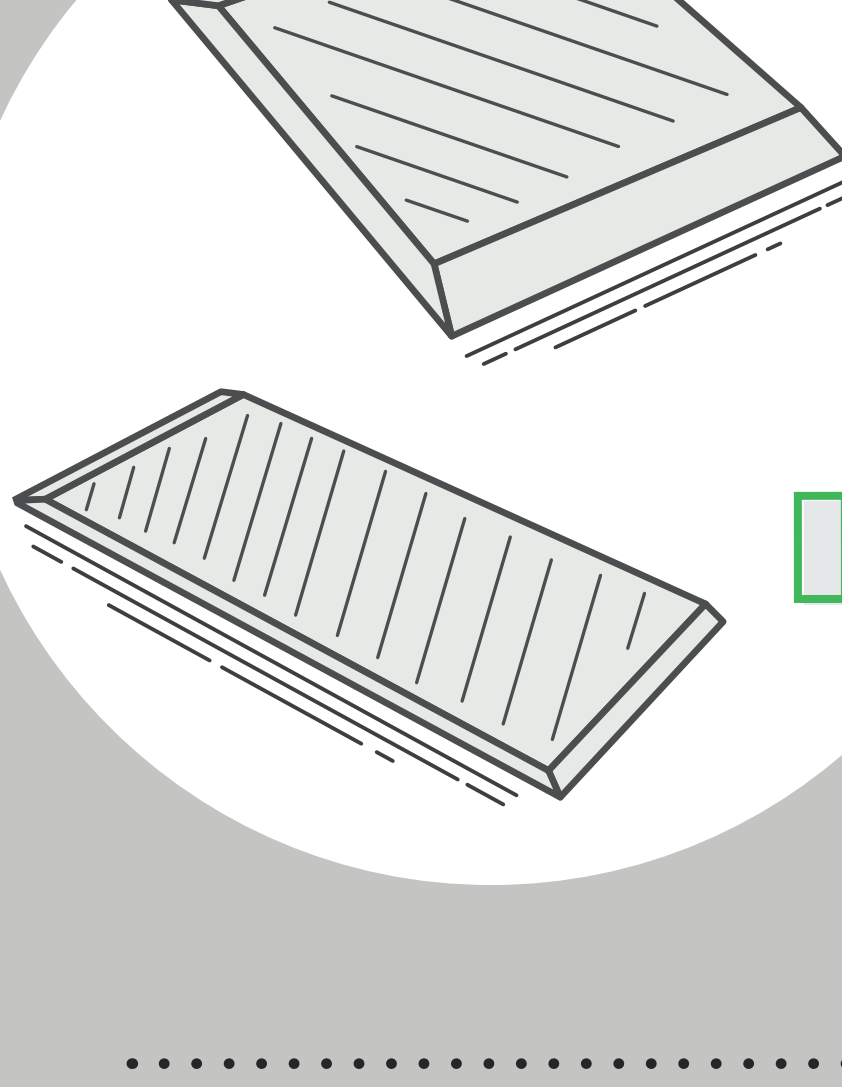

6

CUSTOMER ACCESS

Non-Slip Plates of correct strength **MUST BE USED** when covering excavations. **PLATES MUST BE FIXED** to prevent them moving.

7

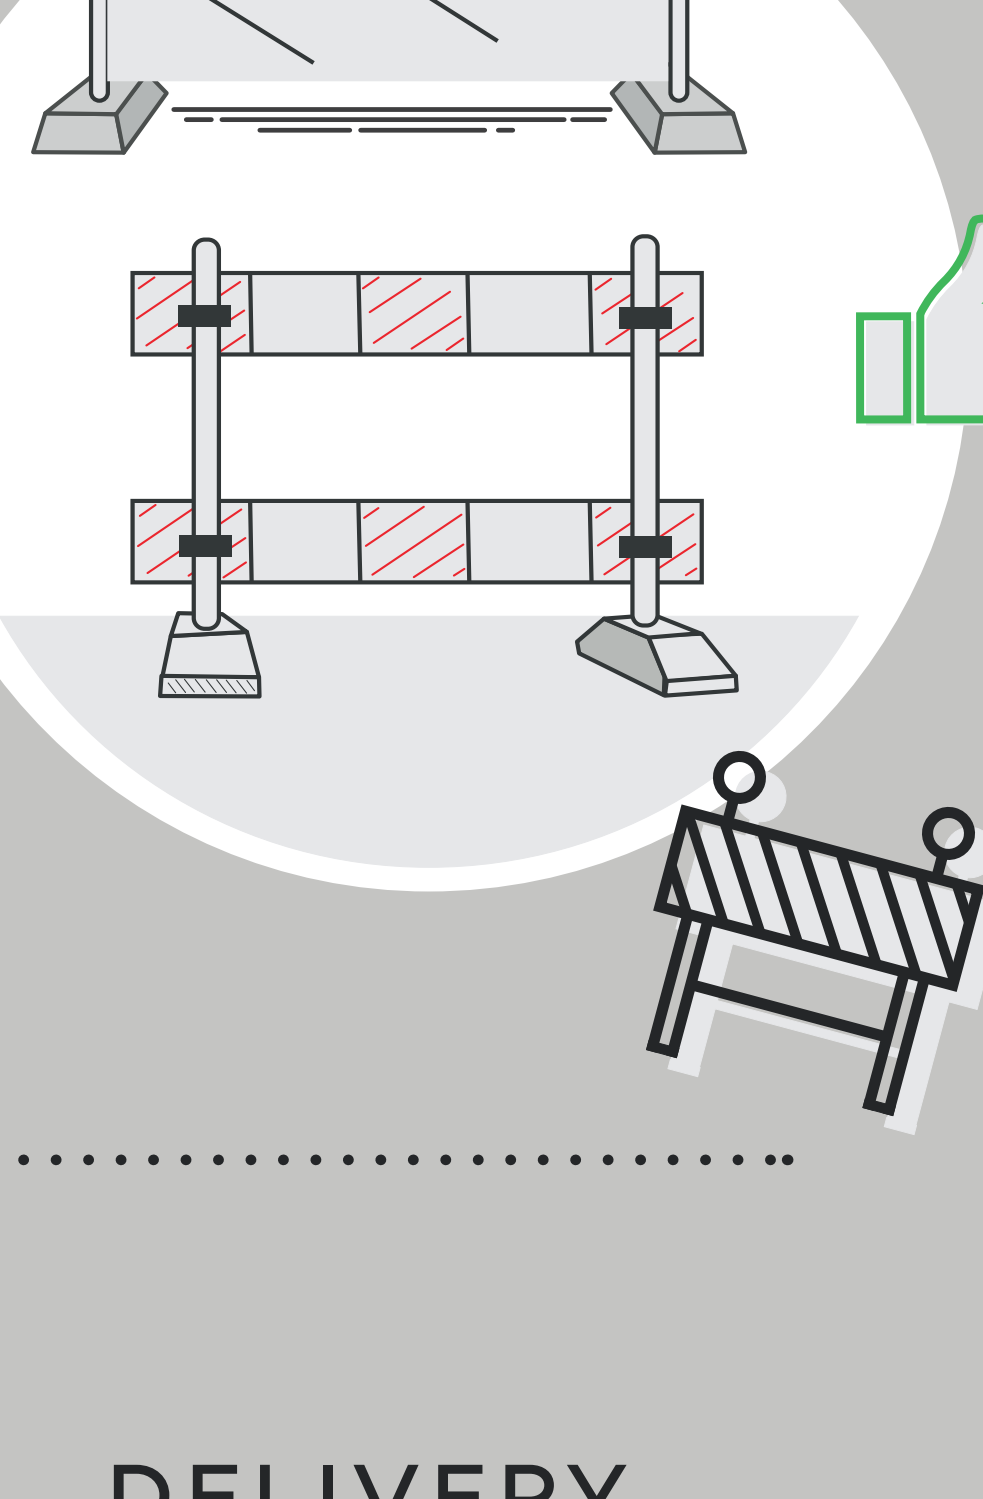

FENCING

Where there is heavy Pedestrian traffic e.g.

- Schools.
- Shops.
- Playing areas.

Fencing, e.g. Heras Fencing must be used where Risk Assessment identifies greater public risk. Barriers are not fencing!!

8

9

DELIVERY VEHICLES

Vehicles should operate within the designated work area.

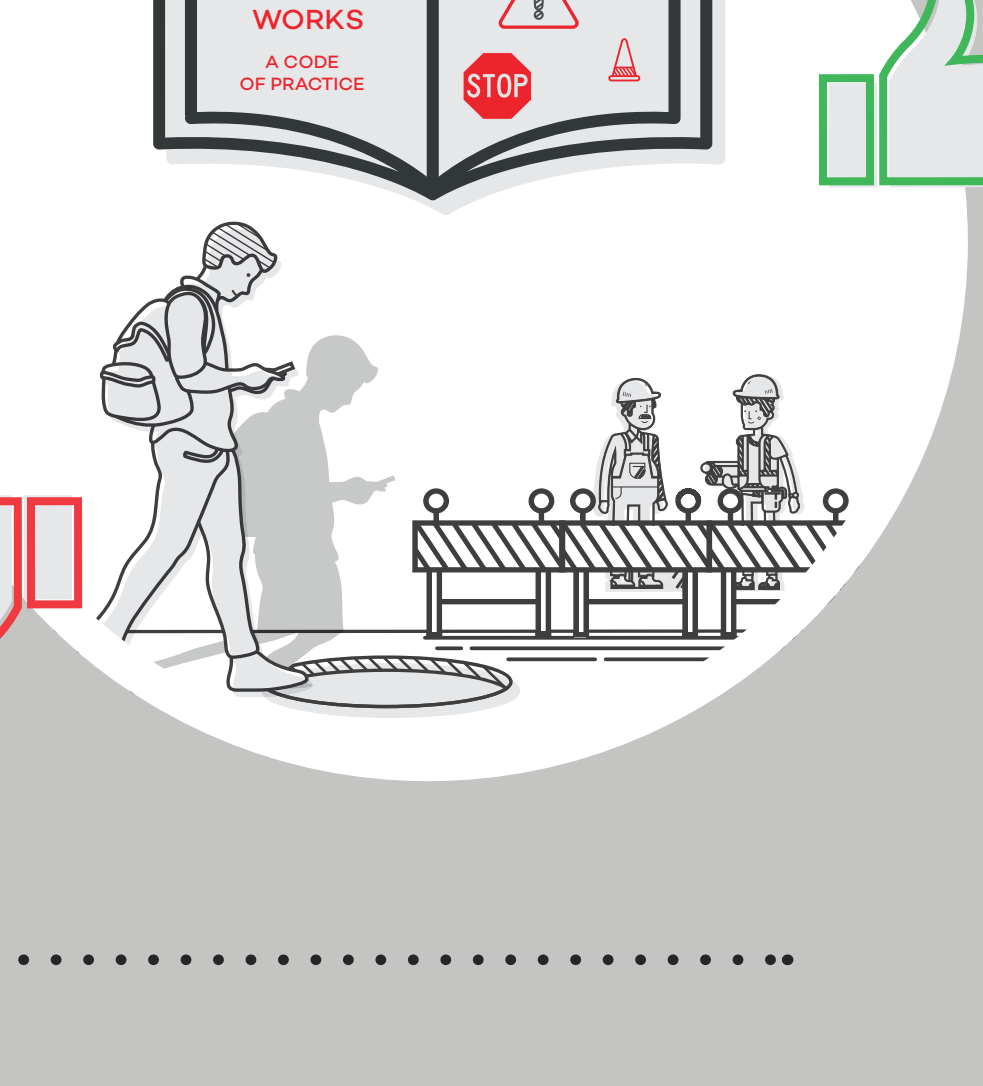

BE AWARE of overhead power and telephone cables.

REMEMBER

The Red Book shows correct signing, lighting and guarding. You must protect the public from our works.

10

SUMMARY

- At least one person on site must have a current NRSWA competency card
- A suitable and sufficient Risk Assessment must be carried out prior to starting works
- Refer to the Safety at Street Works and Road Works (code of practice) red book which shows correct signing, lighting and guarding
