

COVID-19 WORKPLACE RULES FOR OFFICES

When working within or visiting our sites it is essential that the following measures are complied with to 'stop the spread' and ensure safe and healthy working conditions for all.

INSTRUCTIONS FOR MANAGERS

- Ensure everyone working from or visiting site is fully informed of these rules and any additional site specific requirements
- Anyone returning to the workplace after a continuous period of absence (e.g. annual leave, sickness etc.) must undertake a Lateral Flow / PCR test (<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>) as part of an authorised return to work
- Ensure no one reporting to work is exhibiting any symptoms and / or anyone within their household is self-isolating
- Report all sickness absence via the Empactis reporting system on 03308 081 075. In addition, please report any positive and self-isolating cases to Julia Hammond at julia.hammond@morrisonts.co.uk
- Ensure site based risk assessment is in place and up-to-date
- Site occupancy should not exceed 60% and is subject to being able to maintain social separation which may include staggered start and finish times or shift rotation between office and home working
- Ensure Display Screen Equipment assessments are undertaken if personnel are relocated to alternative workstations
- Maintain a clean and sanitised office environment e.g. welfare facilities, communal areas and stores / warehouse spaces with adequate cleaning products, strategically placed around the building and / or at each workstation
- Ensure appropriate first aid and fire marshal provision is in place
- Enforce the rules to ensure sites remain COVID-19 compliant

WELFARE

- Minimise the number of people in communal areas and where appropriate, bring already prepared food and eat at your desk
- Wash crockery and utensils after each use
- Ensure toilet facilities and communal areas are regularly cleaned and sanitised

WORKSPACES

- Maintain social separation
- Ensure that you sign in and out of all sites using the Quick Response (QR code) system
- Wear a face covering / mask when not seated at your workstation and or moving around the office environment
- All shared surfaces such as light switches, door and window handles must be cleaned regularly
- Where appropriate, leave internal doors (not fire doors) open to minimise contact and increase airflow
- Where possible, increase ventilation by opening windows (close at the end of the day)
- Ensure your workstation is regularly sanitised at the beginning of each day and where appropriate throughout the day
- Regularly and thoroughly clean your hands with an alcohol-based hand sanitiser or wash them with soap and water for at least 20 seconds
- Where the use of a lift is necessary to access an office, maintain one person at a time rule, wear a mask and immediately sanitise your hands upon exiting
